Important Change to the Check Assure Program Overdraft Protection

Dear Valued Member:

Beginning August 15, 2010 the Check Assure Program service will no longer be available for ATM or Visa Check/Debit card transactions. This means that, if you use your ATM or Visa Check/Debit card for a transaction and there are not sufficient funds in the account being debited to cover the amount of the transaction, **we will decline the transaction.**

Please refer to the enclosed insert for more information about the Check Assure Program Effective August 15, 2010.

Also, please refer to the enclosed insert for changes to the Checking Overdraft Protection Service Effective August 1, 2010.

If you have additional questions about Overdraft services provided by First Financial or these changes, please call **(800) 537-8491** or visit your nearest branch.
